As we begin a new school year, I want to extend a warm welcome to all our students, families, and staff. The start of the year is always filled with excitement, possibility, and a renewed sense of purpose—and this year is no different.

Our mission is to **challenge** each student to reach their full potential, **inspire** a love of learning, and **empower** all learners to thrive both in and beyond the classroom. Together, we will continue building a positive, supportive environment where every Resorter feels valued and equipped to succeed.

We are thrilled to welcome everyone back for another exciting school year at Elkhart Lake-Glenbeulah Elementary School. Whether you are returning or joining us for the first time, we are looking forward to a year filled with growth, learning, and community. The energy in the building is already growing, and we can't wait to see our students' smiling faces again soon!

As we step into the 2025-2026 school year, I want to take a moment to reflect on all we accomplished together last year. From academic achievements to building strong, supportive relationships, our students and staff worked hard to make it a truly successful year.

This year, our focus remains on ensuring all students feel supported, challenged, and valued. We're committed to creating a positive environment where every child grows academically, socially, and emotionally. I'm confident that, together, we will make this a wonderful year!

### Middle School News

By: Mr. Petrie, *Principal*

### Welcome Back to ELGMS!

I am excited to begin the year as the new Middle School Principal. I grew up just outside Glenbeulah and have spent the past 15 years serving the Elkhart Lake-Glenbeulah School District as a teacher, assistant principal, and coach. As a lifelong Resorter, I'm proud to be part of a school and community that supports student growth and success.

At ELGMS we are committed to strong academics, personalized learning, and a positive culture grounded in the *Resorter Way* values of responsibility, respect, and kindness. Middle school is a time of tremendous change, and I look forward to partnering with you to make this a positive year of learning and success! Please feel free to reach out anytime with questions or ideas at (920)876-3307 or [cpetrie@goresorters.com](mailto:cpetrie@goresorters.com).

### Keys to a Successful School Year

**Regular attendance** is one of the most important factors in student success.

#### Communication Is Key

Watch for school emails, check the website, and log into the parent portal (Infinite Campus) regularly. If you ever have a question or concern—reach out! We are here to help.

#### Routines = Success

A healthy routine at home supports success at school. Help your student get enough sleep, manage screen time, and plan for homework or projects. Students thrive with consistency.

#### We Are In This Together

Strong family-school partnerships lead to better outcomes for students. Let's stay connected, support each other, and make this a fantastic school year.
