January disbursements totaled \$602,876.51, leaving the cash balance on January 31, 2024, of \$3,384,841.04. The \$3,384,841.04 is comprised of \$3,046,585.41 in Local Government Investment Pool account #1 (general), \$235,950.47 in account #2 (technology), \$57,671.58 in account #3 (HVAC), and a general fund checking account balance of \$44,633.58. Mrs. Groh-Bardon presented the year-to-date status of revenues and expenses. Overall, total District revenues and expenditures are in line with the previous years. Fund 50 expenses are down but that is due to the timing of when invoices are received. Fund 80 expenses are also down. In the 2022-23 school year, the child care completed a couple of projects so expenses were up. Another reason Fund 80 expenses are down this year is due to an employee making a mid-year benefit change.

Mrs. Groh-Bardon presented the activity account report. Based on activity account balance through January 31, 2024, all accounts are in good standing. The three negative accounts will receive their PTA field trip donations in June.
