

Curative Testing

Self-administered shallow nasal swab **Antigen & PCR testing** for all ages
with the capacity to do 350 tests per day

Location:

Sheboygan County Aging & Disability Resource Center
650 Forest Avenue
Sheboygan Falls, WI 53085

Days/Times

(This site will be open indefinitely as long as there is a testing need in Sheboygan County)

Mondays, Tuesdays & Wednesdays 8:00am - 2:00pm

Thursdays 12:00pm - 6:00pm

Saturdays 1:00pm - 5:00pm

What do I need to bring?

- Photo ID
- Health Insurance Card (insurance will be billed)

If someone does not have insurance and/or an ID, they can still be tested at NO cost to the patient

Do I need to make an appointment?

It is strongly recommended to make an appointment at [Curative.com](https://www.curative.com)

This site will also test walk-ins who have not registered/made an appointment

How do I get my results?

Results delivered electronically, Antigen tests in about an hour and PCR tests within 1-2 days upon receipt at the lab. If you cannot receive your results via email please call 888-702-9042
